Brent Council, Camden Council

Dear Madam/Sir,

On behalf of the Kilburn Neighbourhood Forum, we are pleased to submit the Kilburn Neighbourhood Plan for formal consideration in accordance with the Localism Act 2011. This submission includes the required documentation: the designated Neighbourhood Area map, the Neighbourhood Plan, the Consultation Statement, and the supporting evidence demonstrating compliance with the Basic Conditions.

The Kilburn Neighbourhood Plan has been developed through extensive engagement with local residents, businesses, and stakeholders to ensure it reflects the aspirations of our community. We look forward to working with both Brent and Camden Councils throughout the next stages of the process and to progressing towards a successful referendum. Please confirm receipt of this submission and advise on the next steps.

Yours faithfully,
Ajay Kumble & David Kaye
